Target Audience:

Leaders looking to promote staff into leadership &
Staff interested in advancing into leadership

Program Overview:

Considering an advancement into leadership is exciting, yet potentially overwhelming. Perhaps there are feelings of uncertainty if leadership is “the right” career move.

This 1-hour interactive virtual training is designed for individuals looking to advance into leadership roles as well as for current leaders with direct reports who have the potential to advance. MHEI will facilitate conversation around navigating the transition from peer to leader and identify key leadership competencies needed for success in the areas of communication, change, teamwork, and collaboration.

This training is a preview of MHEI’s upcoming in-person Emerging Leaders program on September 18, 2024. Learn more about [Emerging Leaders](#).

About the Facilitators

Lyndley Andrews, MBA, PHR, SHRM-CP
Leadership and Engagement Strategist

Lyndley is a healthcare human resources professional with over 14 years’ experience in various aspects of HR

including talent acquisition, employee engagement, employee relations, performance management, leadership coaching and organizational development. Lyndley has experience partnering with healthcare leaders and guiding them through challenging situations as well as managing an HR team. In addition to holding two HR certifications, Lyndley is also certified through the Association for Talent Development's Improving Human Performance program. Lyndley is passionate about building collaborative relationships and offering customized strategies to help leaders and staff achieve results.

Katrina Coleman, BSN, MSN

Leadership and Engagement Strategist

Over the past 25+ years, Katrina has consulted and coached hundreds of managers in developing and implementing key skills to create focus on achieving goals and easing their busy schedules. Katrina is a master's prepared nurse and an ATD-Certified Coach.
